DEWAN'S OFFICE
22 MAR. 1938
No. M. 1382

My dear Sir Mirza Ismail,

I am directed to request you to kindly move the Government of Madras, and if necessary, the Government of India, to sanction the loan to His Highness of the services of Mr. D.H. Elwin, I.C.S., at present Private Secretary to His Excellency the Governor of Madras, as Companion to Prince Jaya Chamaraja Wadiyar.

The services of an officer of Mr. Elwin's standing are very urgently needed for the purpose in question, more particularly in connection with the administrative training of the Prince.

It has been informally ascertained that Mr. Elwin would be willing to accept the appointment, and it is understood that the Government of Madras would be willing to lend his services.

The salary proposed is the grade pay Mr. Elwin would draw in Madras, with increments as they accrue, together with such Overseas Pay as would be due to him

Genera
S

there, and a free furnished house in Mysore and provision for accommodation at Bangalore and Ootacamund. The usual leave and pensionary contribution would be paid. Travelling allowance would be paid at the rates claimable by him in Madras subject to the proviso that no travelling allowance would be claimable on any occasion when provision was made for transport, board and lodging by the Palace.

It is hoped that Mr. Elwin would be able to take up his duties in June next, and it is suggested that the term of his appointment should be one year in the first instance subject to renewal by mutual agreement from year to year.

His Highness will be grateful if the Government of Madras and the Government of India will be good enough to sanction the loan of the services of this officer.

Yours sincerely,

N. Krishna Chetty

From the correspondence with the Residency last year (in connection with the proposal to obtain Mr Saumarez Smith the loan of services of another I.C.S. officer from Bengal), it is seen that the Resy. will first address the Madras Govt. for their consent and, if they are agreeable, will address the Govt. of India for necessary sanction.

Draft to Residency put up for Consideration. [In the case of Mr. Saumarez Smith, the Resy. enquired if the officer would be entitled to free Medical attendance & this was agreed to. The Huzur Secy's letter is silent on this point. Subject to approval a sentence is added in the draft regarding this effect.

Under this rule all European Officers, like the Private Secretary, are entitled to this privilege, being Govt. servants or persons receiving their pay from the Government.

In this connection it is submitted that the pay of Mr. Elwin will have to be met by the Palace and it may not be proper to construe his service as Government service It appears therefore necessary to specify the condition
